Glyndebourne's founders, John Christie and wife Audrey Mildmay, opened the first festival in 1934. Today the world renowned auditorium and standards of excellence are testament to John's original ethos: "Not just the best we can do but the best that can be done anywhere". Glyndebourne continues to be led by the Christie family: John's son George succeeded him in 1962 and grandson Gus took over in 2000. Glyndebourne on Tour was founded in 1968 to enable the company to take operatic productions around the UK, making

opera more accessible to everyone.

Today the festival runs from May to August with a programme of six operas in a world-class 1,200 seat opera house. Together with Glyndebourne on tour, it presents about 120 performances each year...

The operas generally commence late afternoon with dinner to be taken in one of the four restaurants. You may wish to enjoy the garden instead, with a picnic arranged through Glyndebourne or Gravetye Manor.
