Further to the impact of the COVID-19 pandemic, it has been necessary to make the following changes to your dining experience at Gravetye Manor:

- We will be restricting capacity in the dining room in line with government guidance and putting the necessary measures in place to adhere to them.
- You are welcome to enjoy the gardens prior to your meal but regrettably no beverages can be served in advance of the table reservation.
- Upon arrival you will be shown to your table to enjoy your aperitif – regrettably this cannot be offered in the garden or the lounges as previously.
- Coffee and after meal digestives will also be served at your dining table
- No cash payments will be accepted. Card payment will be taken at the table.

Thank you for your understanding; it is a priority for us that our guests and team alike feel safe whilst this pandemic is still with us.
