

Dining at Gravetye

Throughout the year the produce from our walled kitchen garden, created by William Robinson at the turn of the last century, is the driving force behind the inspiration and seasonality of our menus. The excellent relationships we have built with our local suppliers and the joint passion for their commitment to animal welfare and top-quality produce are crucial to the high standards that we strive for.

Our reputation as a first-class restaurant means that booking in advance is vital. If there is no availability showing online for your chosen date, please call 01342 810567 to be placed on a waitlist.

Resident Dinner

If you have made a bedroom reservation online or by calling the hotel then a table in our dining room will be automatically reserved for you on each evening of your stay. This will happen even if there is no dinner availability showing online.

Non-Resident Dinner

There is only limited availability for non-resident guests, please check online.

Afternoon Tea

This is only available for residents (year-round) and for larger groups of 6-12 (May to September) in our Gazebo.

Booking Information

We accept bookings for tables of up to 6 people in the dining room (*for bookings of 7 or more please email events@gravetyemanor.co.uk for Private Dining details*). Non-Resident dining room bookings can only be made up to six months in advance.

When you select your booking time, this is the time to be at the table when menus will be presented. You are welcome to arrive earlier than the booking time to enjoy an aperitif in the lounge or garden.

Our dress code for the dining room is smart casual, smart jeans are acceptable, however in the evenings, men do tend to wear a jacket.

We only accept children over the age of seven at the manor. Unfortunately, pets are not allowed at Gravetye.

We require credit card details to secure the reservation. A fee of £30.00 per person is incurred if the reservation is cancelled within 24 hours prior to your booking.
