Fine Wine By The Glass

"Hedonistic" in general refers to something that is devoted to the pleasure of the senses. I know it must seem strange to refer to a wine that way, because wine is supposed to be pleasurable, right? But "hedonistic" is usually saved for those truly amazing wines—ones that are joyful, pleasurable and gratifying on several levels.

Federico Oddo

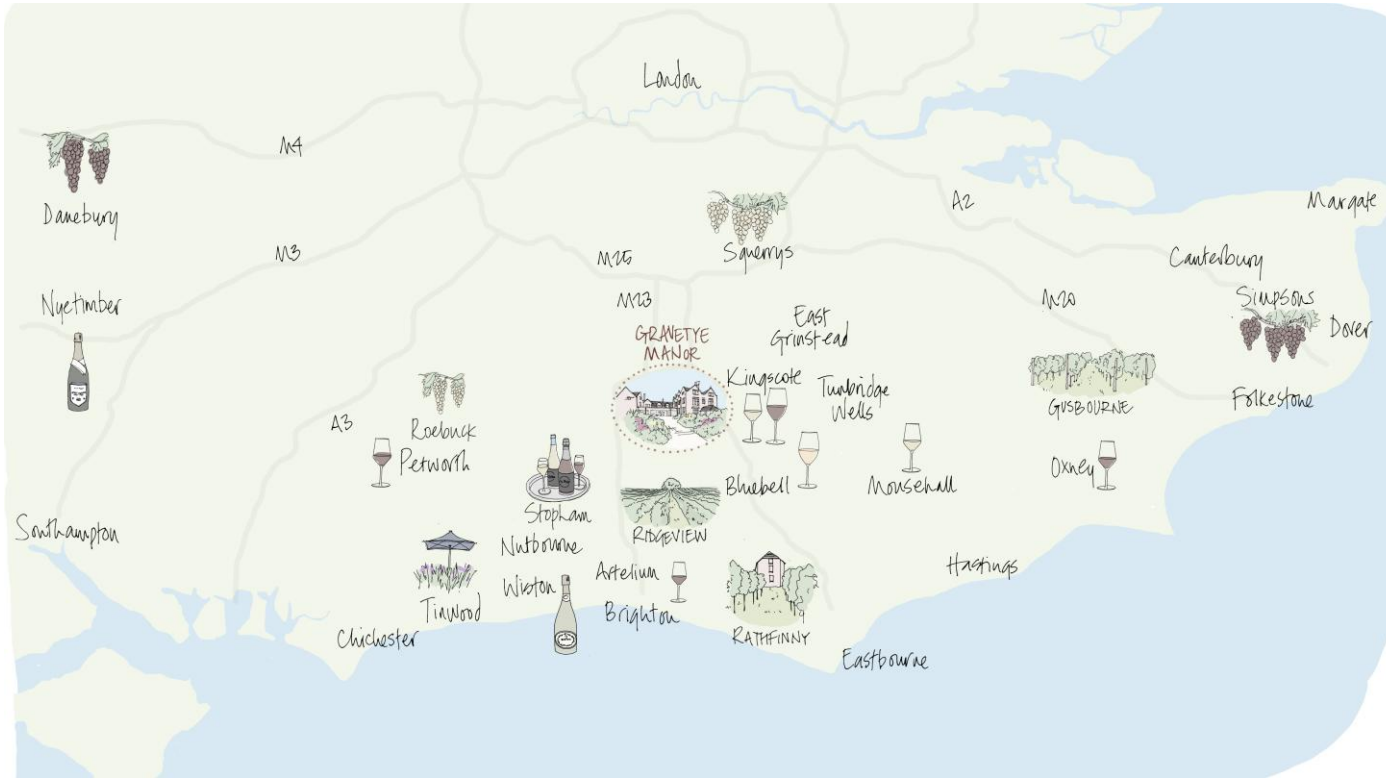

Head Sommelier

Champagne

"I drink Champagne when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company, I consider it obligatory. I trifle with it if I'm not hungry and drink it when I am. Otherwise, I never touch it - unless I'm thirsty."
