Deep Tissue Massage

60 mins - £120

Deep Tissue Massage therapy is similar to the Swedish Massage, but deeper pressure on concentrated areas following muscles, tendons and fascia is beneficial in releasing chronic muscle tension and aims to physically break down adhesions which relieves pain and restores normal movement.

Seasonal blends will be incorporated into each treatment, dependent on season. By room fragrance or massage oil blend, and fresh items from the famous English Gravetye gardens.

Ruuby Black Label therapists work with an edit of globally recognised brands including Dr Barbara Sturm, Murad, The Light Salon, Aromatherapy Associates and Shu Uemura, to name a few.

The Black Label philosophy is centred on two core values: unrivalled convenience and exclusive standards of indulgent beauty. Specifically designed to offer a personalised and discreet service, Black Label members benefit from being only the touch of a button away from an all-encompassing 24 hour beauty service providing the upmost in elite standards and privacy. Black Label is a world-class service setting the perfect scene for the very best in beauty therapy, with heated blankets, silk pillows, double cotton soft thread sheets, room fragrance, and choice of music, robes and a selection of luxury teas.

Black Label therapists have a wealth of industry knowledge, creating bespoke programmes for each client, with the highest quality product ranges and equipment. The team have attended some of the biggest name weddings, been on tour with iconic musicians, prepared high profile guests for the Oscars, and looked after families across the globe.

Having travelled with clients across the globe, from The French Alps and Aspen to Hawaii and Santa Monica, therapists are available to travel with families for 24 hour on demand service. Clients can enjoy a blow dry and manicure before dinner or a massage before bed, to a stretching session before hitting the slopes or poolside pedicures.
